RE: Calculators for Year 7-9 Students in 2018

Dear Parents,

Included on the back of this letter are instructions giving you the opportunity to order the required calculator directly from ABACUS. This ensures your child has the correct model of calculator for class.

If you choose to order online from Abacus please note that **no money is to be sent to the College** and that all scientific calculators will be sent to your home address free of charge. Please note that these calculators will not be distributed from the college.

REQUIRED CALCULATOR for Years 7-9 2018:

SXIIMATRIXA (SCIENTIFIC CALCULATOR)
All students in Year 7 should purchase this calculator.
If students in Years 8 to 12 already own a working SCIENTIFIC calculator, they may continue to use it.

In 2018, every student **must** bring a scientific calculator to **every** Maths lesson**. I-Pads and phones will not be acceptable for use as calculators in Maths lessons.**

For further Calculator enquiries please contact Mr Tony Lee (HOLA – Mathematics) on leet@scbc.wa.edu.au.
