***Please note you can order up to 14 days in advance with the cutoff time being 8.45am on the day that you want your order made.***

Parents are also able to register a login for their child and allocate a budget per day that they can spend (This is ideal for secondary students so that they can order themselves from their phone).

Any questions in relation to online ordering and payment can be found on their website [www.quickcliq.com.au](http://www.quickcliq.com.au) or directed to their staff by calling 1300 116 637 from 7.30am Monday to Friday.

All items from the current menu are available and all payments and orders are handled by Our Online Canteen. Primary orders will continue to be collected by each classroom and Secondary orders will continue to be collected by each student.

A flyer with more information is shown below (please note although the flyer says that uniform orders are available, we are currently not using this functionality).

We hope that this provides you with another convenient option for ordering your children's meals.
