Calculators for Secondary Students in 2019

Dear Parents,

Please find attached information and forms for ordering your Secondary Student's calculator (s) direct from ABACUS, if you would like to do so.

If you do use the enclosed Abacus form please note that **no money is to be sent to the college** and that all **CLASSPADS** and accessories ordered from Abacus will be delivered to the college and available for collection from the Maths Department on the first day of school in 2019. No documentation needs to be brought to college on that day as we will have a list of the orders from Abacus and your son/daughter will sign for their orders when they collect them. ABACUS will deliver any **Scientific Calculators** free of charge to your home address.

REQUIRED CALCULATORS

- **# 1: SXIIMATRIXA (SCIENTIFIC CALCULATOR)**
 - All students in Year 7-12 should purchase this calculator.
 - If students in Years 8 to 12 already own a working SCIENTIFIC calculator, they may continue to use it.
 - Every student **must** bring a scientific calculator to **every** maths lesson. **I-Pads and phones will not be acceptable for use as calculators in Maths lessons in 2019.**
- **# 2: CLASS PAD 400 (GRAPHICS CALCULATOR)**
ONLY FOR THE FOLLOWING CLASSES:
 - Year 10.1 Maths class
 - Year 11 and 12 Mathematics Applications, Mathematics Methods and Mathematics Specialist.

Any student who already owns a different model class pad may continue to use it.

Regards,

TONY LEE
Head of Mathematics
