Dear Parents/Guardians,

I hope that this letter finds you well.

The purpose of this letter is to provide your family with the necessary information for your child's smooth transition into Secondary school.

Secondary Student IT Device

Secondary students will be required to have a device from the day they commence. The device is hired through the College as part of the following Electronic Device Package:

- Chromebook or laptop.
- 3 year Warranty and Accidental Damage Insurance.
- Hardcover Tough Shell case and bag.
- Device Management Software.
- Personalized sticker for the front of the device to assist students to identify their loan device.

The cost of the package is \$250 per annum and will be added to your tuition account each year. The current device for students is a Chromebook (Acer Spin 511-R752T).

The delivery date for devices will be:

- Launch Day – Beginning of Term 1 – for all Year 7 students; or
- 1-2 days after the student has commenced if it is during the course of the tuition year.

Due to the number of devices being ordered, we are unable to provide them to you prior to Launch Day.
